## And What Have You

By BOB CRAIG

Our congratulations go to Robert Bolden for a superb performance in Lubbock Saturday to win all three events in which he was entered. And, he won all three in such a manner that he has a good chance to do the same at state.

Like at the district meet, the three wins gave him the individual high for the regional meet.

Another 9.5 hundred at state will give him the state record in the Class AA hundred and he only needs to cut .2 off of his 220 time to tie this record. It will take quite a jump as it would have to be 17 inches longer than his jump at regional.

With track records being broken almost every year, we were surprised to learn that Mike McClellan of Stamford still holds the record in the broad jump. His record in the 100 did not last too long as the time in this event just seems to get faster and faster.

Coach Larry Butler, when asked what effect the synthetic track would have, just said it is fast. So with a little luck Bolden should be able to have a real good day at Austin May 8.

Although there are no contested races in the Democratic Primary Saturday and fewer than usual at the state level we hope that every qualified voter in the area will take the time to vote. While the races may be few in number, those that are on the ballot are important enough to warrant your taking time to vote.

There are two important district races; one for state representative and the other for Court of Civil Appeals, 11th Supreme Judicial District.

The first one is for District 62, Place 1, Jones and Taylor Counties, and has Grant Jones being contested for re-election by Joe Hernandez. Since Grant Jones seems to be doing a good job for us in Austin and is highly thought of by those we have talked with who have served with him; we would urge his re-election.

In the second district race, the one for Court of Civil Appeals, Roger Q. Garrett and Austin McCloud are running against each other. While we sometimes doubt the wisdom of electing judges, we notice on the national level there seems to be some problem with appointing them too. We will go along with McCloud in this race because he seems to be highly recommended by his fellow lawyers and is also recommended by a friend of ours, Colorado City publisher, Joe Bell. McCloud is from Colorado City.

On the state level—it is highly unusual for there not to be a race for governor in the democratic primary but this year Preston Smith is unopposed.

Probably the only race in the state causing any noise at all is the one between Ralph Yarborough and Lloyd Bentsen for U. S. Senator. Since we have never found any reason to support Yarborough we can see no reason to do so this year. Somehow he always seems to be completely out of step with most of the elected officials of the state. We did care for his endorsement of the Vietnam moratorium, his vote on the two Supreme Court nominations, and his great willingness to find more and more ways to spend our tax money.

We recommend the re-election of Crawford Martin for Attorney General and Ben Ramsey for Railroad Commissioner. But we somehow feel that maybe Jerry Sadler has been in office too long. Bob Armstrong seems to be making the best race for this post.

Because we have met the man and were highly impressed and because he also has the backing of his editor and the state bar association we are supporting Truman Roberts for the Court of Criminal Appeals.

## Mayor Urges Citizens to Join Clean-up Effort

The annual clean-up campaign continues and residents are being urged to clean up their property.

"The clean-up campaign is a project that cannot be successful unless everyone takes part in it and cleans up their own property," the mayor, Hollis Madden, stated.

"Your neighborhood is very important to the health and welfare of you and your family. Take a little time off and clean up your yard and alley," the mayor urged.

All trash and debris should be placed in containers in the alley to be picked up by the city trucks. Any item that you do not want picked up, please remove from the alley. The men on the trucks assume that it is to be hauled off if left in the alley.

Clean-up is to be completed by May 23.

## Little League Season Opens Here Friday

The 1970 Little League season will open officially here Friday evening when the Cardinals host the Yankees in the season opener in Little League Park.

The 36-game schedule runs through June 30 with games on Monday, Tuesday, Thursday and Friday. Two Saturday games are scheduled—one on May 16 and the other on June 20.

In the second game of the season, the Braves will host the Giants on Monday. The Cardinals will host the Braves on Tuesday.

The Braves, sponsored by Wade Trucking Company, will be managed this year by Rex Reynolds and Johnny Steele.

Sponsored by Heidenheimers, the Cardinals will be managed by Raymond Nichols and Jack Harughty.

Managers for the Giants are Scotty Knox and Herbert Crouch and they will be sponsored by Pied Piper Mills.

The Yankees will be managed by Callens George and Sammy Hester and are sponsored by Farmer's Co-op Gin of Hamlin.

The Farm Club and Pee Wee schedule will be announced at a later date.

## BCD Banquet May 7, Dr. Stevens to Speak

John C. Stevens, Ph.D., professor of history and president of Abilene Christian College, will be the speaker for the annual Board of Community Development banquet to be held Thursday, May 7, at 8 p.m. in the high school cafeteria.

Dr. Stevens, president of the College since September 1969, joined the faculty in 1948 as assistant professor of history. He became Dean of Men in 1950 and Dean of Students in 1952. In 1956 he was appointed assistant president of the College.

He has played a leading role in the development activities which have resulted in a large-scale construction program on the campus. He is a member of the American Historical Association. He has served on the governing boards of many Abilene civic organizations and as a member of the Abilene City Council.

Dr. Stevens received the B. A. degree from ACC in 1938; the M. A. from the University of Arkansas in 1948 and the Ph.D. at the same institution in 1954. During WW II he served as a chaplain in the U. S. Army.

The banquet will be served at 8 p.m. John Scarborough

ELECTED STATE OFFICER—Latres Williams, who was elected third vice president of the Texas Association, Future Homemakers of America, during the annual convention in Austin Apr. 24-25, is shown with her mother, Mrs. Donley Williams, who is pinning the officer's pin signifying her new office.

## Latrese Williams Gets FHA State VP Office

Mrs. Joe Wayne Carter, chapter advisor, and Mrs. J. O. Murphree. Mrs. Williams went to Austin Friday afternoon for the conclusion of the convention.

Latres Williams, Hamlin High School sophomore, was elected state third vice president of Future Homemakers of America at the annual FFA convention held Friday and Saturday in Austin.

Daughter of Mrs. Donley Williams, she will serve as third vice president of the local chapter during the coming year.

Other state officers are Pam Price of Yantis, president; Ruth Ann DeFord of Austin, first vice president; Janette Day of Matador, second vice president; Paula Carroll of O'Donnell, fourth vice president; Patsy Plemmons of Axell, fifth vice president.

Also Cindy Morton of Tatum, corresponding secretary; Valerie Felps of Houston, recording secretary; Janna S. Dempsey of Sherman, parliamentarian; Deborah Ann Brandes of McAllen, historian; Jenny Lynn Emerson of Midlothian, national candidate.

Officers were installed Saturday in a ceremony at Municipal Auditorium to close the two-day session.

Delegates from Hamlin were Pam Peace and Shelly Holtz. They were accompanied by

## Paving Fund Still Short Over \$1,000

After one week of solicitation, the fund to pave Southwest Avenue G from Southwest Fifth Street to Golf Course Road now stands at \$1,772, says Joe E. Ford.

Ford started the drive last Monday and is trying to raise the \$3,000 necessary to do the paving. He expects to have the total to over \$2,000 today (Thursday).

The street carries heavy traffic from the residential section of Hamlin to the Celotex Plant, the golf course, the offices of General Crude Oil Company and a large section of the area's farm and ranch land.

Money for the project is being collected at Farmers and Merchants National Bank by Ford, W. T. Johnson and Donald Young.

Anyone who has not contributed to the fund is asked to act right away with a generous donation. If the project should fail, the money will be returned.

JOHN C. STEVENS  
... to speak May 7

will be master of ceremonies. Tony Lewis will play dinner music on the piano.

John C. Bryant, retiring president, will give highlights of the past year and introduce new officers, headed by Barry Moore, new president.

The meal will be catered by Felker's of Haskell. Tickets are \$3.00. Tickets sold for the banquet which was originally set earlier in the year will be honored.

The Hamlin Garden Club is in charge of the decorations.

The Hamlin FFA Chapter will help conduct a rabies clinic here Tuesday, May 5, from 2:30 to 5:30 p.m.

Dr. Max Hagler, veterinarian from Anson, will conduct the clinic.

Pet dogs and cats will be vaccinated for rabies for \$2 per animal.

The clinic will be held in the shop building in the vocational agriculture department of Hamlin High School. Animals should be brought in by way of the driveside on the west side of the high school building, says Milburn Wink, a vocational agriculture advisor.

## Light Vote Expected In Primary Saturday

Without a contested local race in the Democratic Primary Election Saturday; voting is expected to be light in the two Hamlin boxes. The southern part of Jones County has two contested races, there are two district races being contested and only six state-wide races.

The closest thing to a local race for Hamlin voters is the one for the District 62, Place - 1 position on the Texas legislature. Grant Jones contested for re-election by Joe A. Hernandez. Also at the district level is the race for the Court of Civil Appeals, 11th Supreme Judicial District pitting Roger Q. Garrett Jr. and Austin McCloud.

Voters in the Hamlin east box will vote at City Hall and voters in the west box will vote at the high school. Polls open at 8 a.m. and close at 7 p.m.

Final figures on the county's voting strength compiled by the tax office gave a total of 6,181 who had qualified by registration before the period ended Jan. 31. This exceeds last year's registration by around 1,000. But only a small part of these are expected to turn out Saturday.

The top race on the state level is between Ralph Yarborough and Lloyd Bentsen for United States Senator.

Other contested races involve Crawford Martin and David Brown for attorney

general; Jerry Sadler, Bob Armstrong and Fred Williams for Commissioner of the General Land Office; Connie Lawson and Ben Ramsey for Railroad Commissioner; Matt

Davis, Hawthorne Phillips, and James G. Denton for Supreme Court of Texas and Earl W. Smith and Truman Roberts for Court of Criminal Appeals Judge.

## SETS NEW RECORD—

## Bolden Wins Three Firsts At Regional

Robert Bolden, Hamlin High School senior, brought back three blue ribbons from the Region I track and field meet in Lubbock Saturday and earned spots in three events in the state meet May 8-9 in Austin.

Bolden tied the Region I record with a 9.7 in the 100-yard dash in the preliminaries on Friday and then set a new record in the event in the finals with a 9.5. He won the 220-yard dash with a 21.8 time and the broadjump with a 22-7 jump.

Rickey Waller tied for second in the high jump with a 6-0 jump but lost the three-way toss for a state berth in the event.

The two earned Hamlin a fourth place finish in the Class AA standings with 36 points, leading all other teams in District 7-AA.

Bolden will compete in the broad jump at the state meet on Friday, May 8, at 1 p.m. and the finals in the 100 and 220-yard dashes are set for Friday evening in Class AA.

Another 9.5 performance by Bolden at the state meet will give him the Class AA

record as the current record is 9.6, set in 1953. The overall record in the 100 is 9.4 set by a Class AAAA school.

The Class AA record in the 220 is 21.6, set in 1967 with the overall record at 21.2. Mike McClellan of Stamford still holds the Class AA broad jump record, set in 1957, with a jump of 23-11 3/4. The overall record is 25-1 3/4.

## FFA Livestock Judging Team Qualifies for State

The Hamlin Future Farmers of America Chapter livestock team composed of Rodney Rackley, Charles Sellers, and Steve Teichelman qualified for the state livestock judging contest by placing in the top 10% in Area II at the Texas Tech contest Saturday. They can now advance to the state contest to be held at Texas A&M University Saturday.

Steve Teichelman was third high individual in beef judging at the Tech contest with a perfect score of 100 in beef cattle judging.

Other Hamlin teams competing at Tech were: cotton, Rickey Grubbs; Johnny Howard and Bob McKissack; dairy cattle, Carlos Gonzalez, Oscar Guerra, Kenneth Payne; poultry, Tommy Gabriel, Timmy Lewis, and Danny Wood.

Commencement exercises will be held Monday, May 25.

## Mmes. Colwell, Williams Take Flower Show Honors

Mrs. B. B. Colwell and Mrs. L. B. Williams were Sweepstakes winners at the Hamlin Garden Club Flower Show held Saturday at Hamlin High School Cafetorium.

Mrs. Colwell, also winner of the Tri-color Award, won the sweepstakes award in Artistic Division.

Mrs. Williams sweepstakes award was in the horticulture division where she also received the award of merit.

Mrs. C. F. Cook received two awards of merit in horticulture.

Creativity Award in artistic division went to Mrs. Harold Bonner.

Harold Bonner won the educational award in the horticulture on a display of rocks.

The annual show celebrating "30 Years of Progress" was termed by the general chairman Mrs. Bonner as the "prettiest ever." The show was well attended and the displays were outstanding.

Of special interest were the tin craft and anti-litter displays. A wide variety of flowers, candle holders and novelties were made from tin cans, newspapers, boxes and plastic containers.

More than 100 persons attended the show from 3:30 to 6 p.m.

Judges were Mmes. Guy Caldwell, K. H. Fleming, Loyd Keith, Ernest Ledford, Wendell Foreman and Miss Gladys Buchanan, all of Abilene.

Ribbons were given for firstplace, blue (B); second place, red (R); third place, yellow, (Y) and honorable mention, white (W).

## FROM THE FILES . . .

FORTY-FIVE YEARS AGO  
(May 1, 1925)

Beginning with Monday of this week, there appeared a new name in the banking business in Hamlin. It is NOW The Farmers & Merchants National Bank of Hamlin and not The First State Bank. This bank has transferred itself from a State Bank to a National Bank and will hereafter be known as the Farmers & Merchants National Bank of Hamlin. The force of workers at this bank have been very busy getting things in shape for this change for several days. We are informed that all the checks with the old name on them will hold good and be honored just as if they had the new name on them. It will not take long for the public to get accustomed to the saying, "F & M Bank."

The old shacks, so long the eyesore for Hamlin, on Central Avenue, are about gone by now. J. W. Patterson, who has been running a business in a tin structure has laid a foundation for a brick 25 by 60 feet. This will leave but one vacant lot in that block and we are reliably informed that B. B. Colwell will in the near future build a two story brick there and move his bakery into the building. A steady growth is what makes a town be a good place in which to live. Unsightly business houses do not speak well in any town. There are but few inferior structures left standing in Hamlin. Mr. Patterson is to be congratulated in taking this progressive step.

J. R. Bull has just finished a nice five room bungalow in South Hamlin. This is a rent house and Mr. Bull is looking for a renter. —If you are fond of good biscuits, try a sack of Light Crust, high grade flour, it costs no more than the cheaper at—J. B. ADKINS.

TWENTY YEARS AGO  
(April 28, 1950)

Delay in construction on the 20-bed addition to the Hamlin Memorial Hospital has been occasioned by tardy arrival of the particular color of brick that will match that used in the original structure.

It is the estimate of Contractor Bob Tagart and Wesley Nail, business manager of the hospital, that the additional wing to the hospital will be ready for occupancy about July 1.

Estimated cost of the construction is \$36,000.00.

Completion of the wing will more than double the bed capacity of the hospital and will permit expansion of the clinic. Present capacity is 15 beds without the use of hallway ends, which has been a general practice for many months.

Hamlin's track team placed in everything they ran at Brownwood at the regional track meet.

Asa Goodgame placed fourth in the high hurdles.

## Neinda Philosopher Comes Out, Possibly, For Proposed Junk Tax On Abandoned Autos

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One endorses, we guess, it's hard to tell, a proposed new tax. Dear editor:

Governments all over the world have been wringing their hands for several years now trying to find some new sources of tax revenue, and consequently I hate to see one come along and get no more attention than one I read about last night.

According to an article in a newspaper that showed up in my mail box by mistake, somebody has proposed a junk tax for worn-out automobiles.

Like it is, he pointed out, when a car has gasped its last some people just leave it where it quit, even on city streets, while other cars wind up in huge junk piles, offending the eye and rusting away because the metal in them isn't worth the cost of melting again.

This man wants a \$25 junk tax collected when the car is first sold, to be used in getting rid of it when it plays out.

If governments are alert

they'll hop on this idea at once. It has limitless possibilities.

If they can collect a \$25 tax on a car, why not on other things too? Say \$10 for worn-out television sets, \$8 for refrigerators, \$2 apiece for tires, 10 cents for tractors (this may sound low but how many tractors have you seen abandoned on city streets?), \$2 for sofas (it's a fact, somebody threw one out on the road by this Johnson grass farm a while back), and possibly \$100,000 for battleships, \$3 for Congressmen and two-bits for columnists. I won't estimate the tax on editors.

As for bottles and tin cans, I understand this country is throwing away 250 billion of them a year. One cent junk tax per can or bottle would be 250,000,000 times 1 cent which comes out either 250 million or 2 and one-half billion dollars, one or the other, figures like that don't mean much to me, I get mixed up when you go past 3 zeroes, but you can see we're talking about big money.

With that much additional tax money, think how many more miles of highways we

W. T. Stapler placed third in the 880 yard dash.

Donald Green placed second in the 440 yard dash.

Mile relay placed second, composed of Green, Goodgame, Stapler and Don Roland.

Two Hamlinites helped get the new annuals out for McMurry College, Abilene a report to The Herald stated.

Those from Hamlin working on the project were: Bob Bledsoe and Suzanne Toler.

Les Cowan of Hamlin won two first places as McMurry College swept a track meet, 76-35, from Tarleton State College Saturday.

Cowan captured both the discus and shot put.

This week he goes to Colorado to participate in the Colorado Relays. Texas Conference meet will be at McMurry May 11 and 12.

TEN YEARS AGO  
(April 28, 1960)

Carol Joe Simpson received the first John Phillip Sousa Band award given at Hamlin High School auditorium Thursday evening at a music festival, featuring all four bands in the school system under the direction of Tim Jones.

Miss Simpson, a senior trumpet player who plans to attend Baylor University at Waco, was awarded a certificate and a desk set. A plaque also was given the school with her name engraved as the winner. Names of other winners will be added each year.

Last Tuesday members of the chemistry and physics classes of Hamlin High School made an extensive tour of the Celotex Corporation plant at Hamlin. The teacher, Harold V. Williams, and 26 students made the tour.

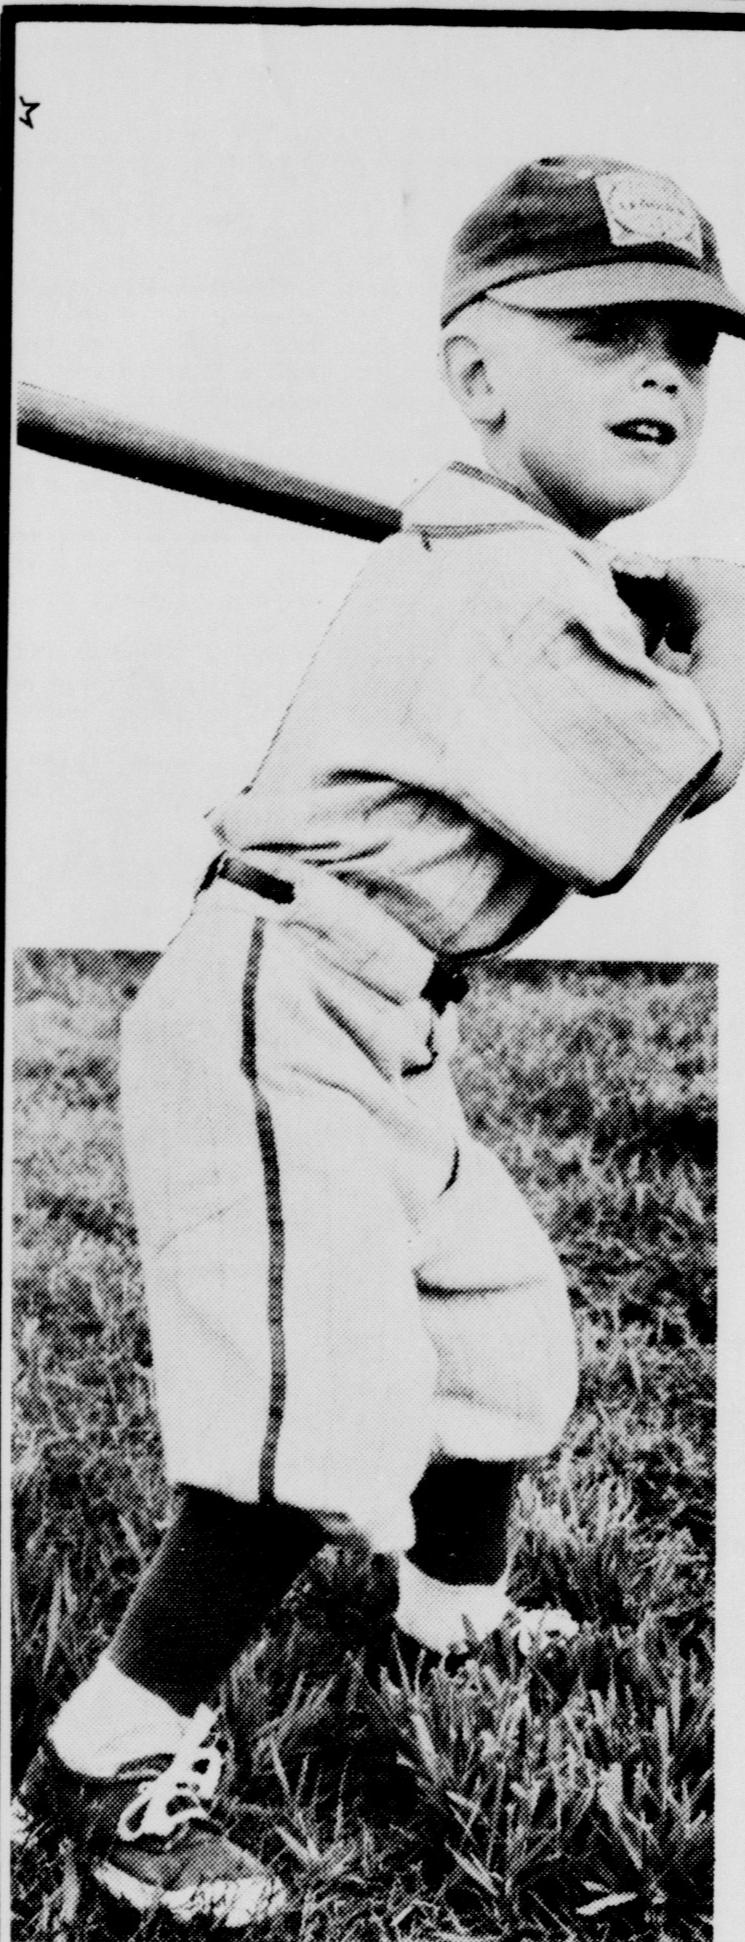

The tour proved enlightening to all members of the group. They saw the operations of processing the gypsum and emulsion and manufacture of wallboard. Jerry Howard, Otho Brown, Miller Harmon and L. E. Madden of the Celotex plant explained various phases of the processes to the visitors.

Students of the eighth grade at Hamlin Junior High School last Wednesday went to Abilene for tours of industries and a day of fun.

Wednesday morning was spent touring Dyess Air Force Base. Students greatly enjoyed the guided tour, seeing the B-47s and Globemasters. The group enjoyed the noon period at Fair Park touring the zoo and testing playground equipment.

Leaving the park, the 78 youngsters visited Dr. Pepper Bottling Company, Borden's Creamery, and Mrs. Baird's Bakery.

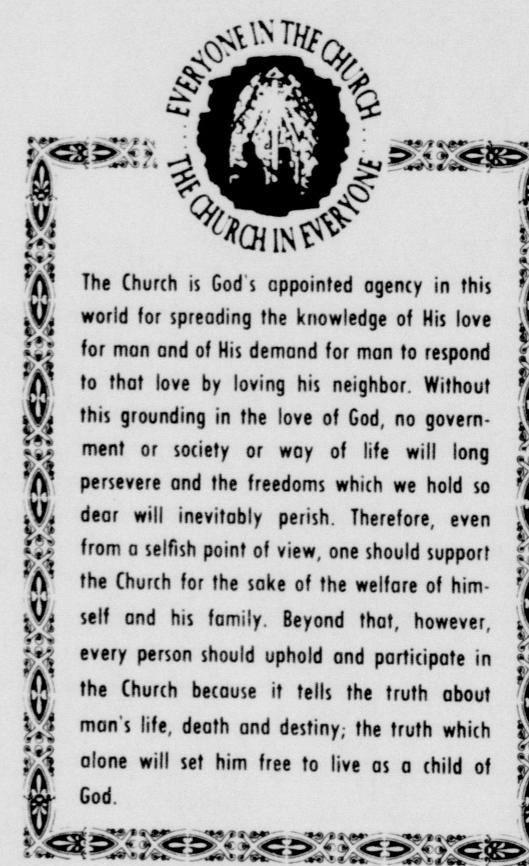

Accompanying the group, who traveled by school bus, were Mrs. Joe Lewis, Mrs. Everett Gibson, Leslie Fambrough and Principal Marvin Carlton.

In all ways of life, keep  
him swinging in the proper

## STRIKE ZONE

PLAY BALL . . . is a familiar cry in the spring and summer. This is a time that parents and coaches, alike, encourage the boy not to swing unless the ball is in the strike zone . . . for in the early years of playing the game, the tendency is to swing at every pitch. This holds true in all of life, so it is up to wiser and older heads to train and encourage him in the better things. Bringing up a child is a serious matter and all can use help. Let the church help you to teach him the right ways.

The church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Judy Jenkins, daughter of Mr. and Mrs. E. N. Jenkins, is one of approximately 260 Texas Tech students who became members of Phi Kappa Phi, national honorary society, at the annual initiation banquet at 6:30 p.m. Friday (April 24) in the Tech Student Union.

The age groups are from 45 to 55 years and 55 years and older. Some of the ropers, he said, are 74 and 75 years old and still are good ropers. The four events will be calf roping, ribbon roping, break away roping and team roping.

There will be no admission charged and everyone is invited to come out to watch.

Red Whatley of Crosbyton will furnish the stock.

Phi Kappa Phi is a national inter-disciplinary honorary fraternity with only students from all colleges and schools at Texas Tech University selected for membership in the Tech chapter.

The principal speaker will be Dr. L. S. (Bill) Pope, associate dean of agriculture for administrative affairs at Texas A&amp;M University.

The accident involved Mrs. Loretta Murff, 26, who was seriously injured in a one-car accident on Highway 83 three miles south of Anson early Monday morning.

Mrs. Murff suffered severe lacerations and bruises and two broken ribs. She was watched carefully for a possible collapsed lung but Tuesday morning the x-rays showed some improvement. Highway Patrolman Donald Vanzandt of Stamford

**Gas heating: The beginning of gas cooling.**

If you have central gas heating, you can buy central gas cooling. For less money than you might think. You already have a furnace blower and, probably, adequate ductwork. So there's a lot less to install.

And gas air conditioning is worth installing. It has fewer moving parts to break down, longer service life and lower month-to-month operating costs.

Begin to cool off by seeing your gas air conditioning dealer today.

## Grant Jones Issues Statement In Bid for Re-election to House

State Representative Grant Jones issued the following statement this week concerning his candidacy in the Democratic primary for reelection to Place 1, District 62, composed of Jones and Taylor counties.

"With state spending at a \$6.3 bil. biennium level and continuing to rise, with prospects and proposals for even higher taxes, and with redistricting necessary during the next session, the people of Jones and Taylor counties should be extremely interested in who represents them in Austin," said Jones.

In asking for reelection to the House of Representatives, Jones stated, "I offer my past record of responsible voting on fiscal matters, my experience from serving on committees of direct interest to the economy and welfare of this area and my ability to work with the other elected officials of West Texas for the best interest of the people of this district."

Jones is currently serving on the Interim Study Committee that will make several proposals for economy in

state government and how to obtain better government for the taxpayers' dollar. During his terms of office, Jones has served on the Constitutional Amendments, Liquor Regulation, Labor, Banks and Banking, State Affairs, Livestock and Stock Raising, Privilege, Suffrage and Election Committees, was vice chairman of the Insurance Committee and is Chairman

To the Voters of Commissioner Prec. 2, Fisher County:

I take this means to thank everyone for their courtesy and consideration in my race for Commissioner Prec. 2, Fisher County.

I have enjoyed seeing you and if you see fit to elect me to this important office, I will have my business arranged to devote all the time

necessary to serve as your Commissioner and I realize at times this is practically a full time job.

I would like to have your vote Saturday.

Thank you,  
E. J. (Junior) Kiker

## E. J. Kiker Asks For Support As Commissioner

To my friends and voters of Fisher County:

Saturday is election day, so if I have failed to see and talk to any of the voters and friends, please accept this as a personal visit from me. I have made two rounds of visiting and you know it is hard to see everyone.

A new patrolman, Felix Homer Dill, 25, has been appointed by Hamlin Police Chief Bryan Wasson. He joined the force Monday.

Dill, a Taylor County Deputy constable for one year, is married and has three children.

If I am elected I will devote all my time to the job.

## New Patrolman Joins Local Force

A new patrolman, Felix Homer Dill, 25, has been appointed by Hamlin Police Chief Bryan Wasson. He joined the force Monday.

Dill, a Taylor County Deputy constable for one year, is married and has three children.

Isn't it odd that your friends always select your busiest day to come in to pay a social call?

## Funeral Services Held Monday for Lon E. Wade, 81

Services for Lon E. Wade, 81, 50 Northeast Seventh, were held at 2 p.m. Monday in the Hamlin Church of Christ. A resident of Hamlin for 14 years, he died at Hamlin Memorial Hospital at 9 p.m. Saturday after an illness and hospitalization of four weeks.

Services were conducted by Douglas LeCroy, minister, and Cecil Cox, minister of the Munday Church of Christ.

Born July 15, 1888, in Scott, H. R. Daniell, L. Burkhardt and Gus Young.

## Bridge Winners

Mrs. Holly Toler and Mrs. W. L. Wilbanks were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club.

Mr. and Mrs. L. W. Shivers were second and Mrs. Preston Morrow of Rotan and Dale Lain were third.

The club meets each Tuesday evening in the Hamlin Jaycee Community Building.
